

Dear Resident,

We are writing to inform you that the annual 'Anglesey Half Marathon, 10K and Dragons Dash' will be taking place on Sunday 02/03/2025 starting from Menai Bridge. We are working in partnership with Ynys Môn County Council to host this iconic event.

This year's event will start and finish on Wood Street and as a result, this road will be closed to traffic from 09:00 on 01/03/25 (for event set up) until 15:00 02/03/25. Residents will be allowed access at all times on 01/03/25. From 08:00-13:00 on Sunday 02/03/25 there will be no access and any cars within the closure will be unable to exit.

In order to give everyone the best and safest experience, we have also been given permission to close the following additional roads with no vehicle movement allowed within the closure:

- Beach Road from the junction with Cambria Rd to the Liverpool Arms, from 08:00 to 10:15
- St George's Road from 08:00 to 10:15
- Askew Street from 08:00 to 10:15

- A5 Menai Bridge from Anglesey Arms roundabout to the Antelope roundabout 08:30-10:15

If unforeseen circumstances mean the runners course must be diverted (e.g. bad weather, fallen trees) we have been given permission to close some or all (depending on circumstances) of the following additional roads between the hours of 08:00 and 13:00.

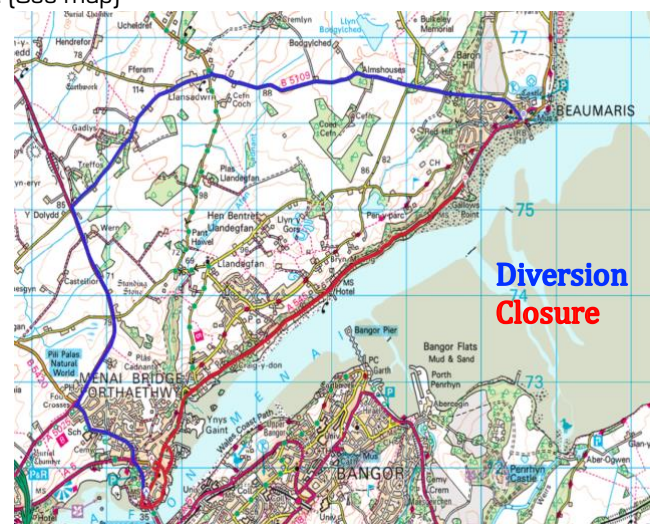

- Allt Cichle, Llandegfan
- Lon Ganol, Llandegfan (To the top of Allt Goch Bach)

Access for emergency vehicles will be maintained at all times. Each road will be re-opened in stages as the event progresses. Access to Gallows Point will be maintained via a diversion. (See map)

As a local company we work closely with local communities to ensure as little disturbance and inconvenience is caused as possible, and we are extremely grateful for the encouragement residents give our runners as they pass by. If you have any interest in becoming a volunteer marshal on race day to raise money for a community group or charity, or have any other queries concerning the race, please do not hesitate to contact us at info@alwayssaimhigh-events.com.

Thank you for your support.
