

Dear Resident,

I am writing to inform you of the 'Eirias Triathlon' taking place on Sunday 6/04/25. We will be working in partnership with the local community, Ffit Conwy and Conwy Council to host these popular events.

For the Triathlon, in order to give competitors and spectators the best and safest experience we have been given permission to close the following roads and put in place alternative diversions:

**The Promenade, Colwyn Bay.
From the junction of West Promenade with Cayley Promenade, to the junction of the Promenade with Beach Road/Cliff Gardens.**

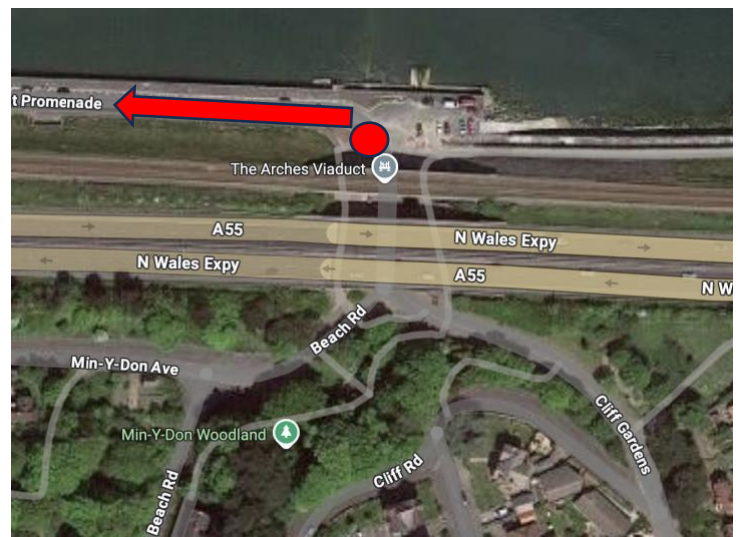

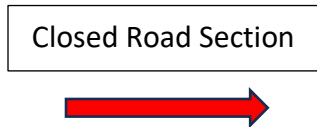

The closure will be in place from 06:30-12:00

Access will still be available for emergency vehicles. Residents and businesses within the closure are advised to seek alternate parking for the duration of the race. The event parking at Stadiwm CSM is available free of charge.

Always Aim High Community Events is a not-for-profit organisation and as a local North Wales company we are proud to be working closely with the local community to minimise disruption and maximise opportunities for local businesses to benefit.

Any proceeds from the event will go to local community projects in consultation with Colwyn Bay Town Council. If you wish to take part as an athlete or as a volunteer, please visit the Always Aim High Events website. Alternatively, please do come to support the athletes and enjoy the event atmosphere.

Many thanks,
The Always Aim High Events Team
