

THE NICK BEER MEMORIAL 10K

NICK BEER 1965 - 1992

Written by North Wales Road Runners Club

Living with hydrocephalus, Nick sadly passed away after finishing the Vyrnwy half marathon in September 1992. He was just 27 years old.

He joined NWRRC from Colwyn Bay A.C and his smile soon made him lots of friends. He was there at every race. He tried and tried until his improvements staggered us all, and you could always rely on that smile at the finishing post. We all need occasional laughter to make us feel good, and Nick provided that in abundance. His presence was welcome, pervasive, selflessly giving and never asking the price.

When this event runs every year it will remind us of the importance and positive results that trying hard and participating can bring. Nick Beer was a true son of the sporting ethic who left us with a wealth of memories and a legacy of inspiration.

THE RACE SUPPORTS THE
FOLLOWING LOCAL
CHARITIES EACH YEAR:

SHINE / ST DAVID'S
